ABOUT US

Retired Master Sargent Mark Evans, along with his son Kent, had an idea for a “special reward” for our Armed Forces. The idea was for each soldier to enjoy a slice of Chicago deep-dish pizza, giving every man and woman a “slice of home.”

In June, 2008 over 2,000 pizzas were delivered to Iraq, making that dream a reality.

Soon after, the success of the program was just beginning and Pizzas4Patriots (a 503C/Non-Profit organization) was formed.

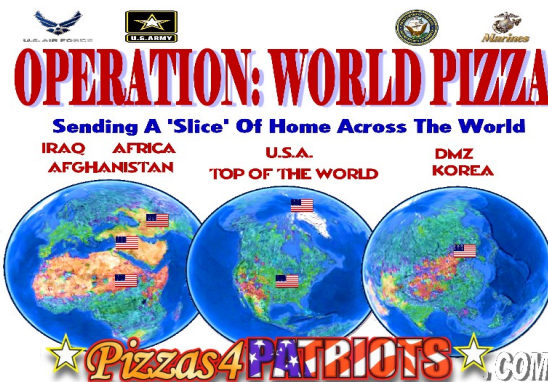

Key CORPORATE alliances exist and continue to form, with pizzas coming from restaurants nationwide and complimentary shipping by DHL.

OUR MISSION

Our mission is to make a *positive* difference in the lives of our service men and women, including Patriots presently serving, along with our wounded Veterans.

It is our goal to provide gifts from home. With your Financial, Service and Product donations “Our Mission” will stay alive.

It is our goal to make them feel that they are not forgotten, but remembered, cherished and appreciated by this Country and its Citizens who enjoy the daily Freedoms that they provide for us.
